National Anthem

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.

Hymne National

O Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l' épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits,
Protégera nos foyers et nos droits.

Royal Anthem

God save our gracious Queen
Long live our noble Queen
God save the Queen.

Send her victorious
Happy and glorious
Long to reign over us
God save the Queen.

The Presentation

The Dean of the Faculty of Arts asks the candidates for degrees to rise, and presents them with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province, and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights and privileges pertaining to such degrees, and I charge you to use them for the Glory of God and the honor of your country."

Graduates then sit down.

Honorary Degree Recipient

David Vice, Vice-Chair of Northern Telecom Ltd, was instrumental in establishing Northern Telecom Ltd as a leader in the area of high technology. Under his direction, Northern Telecom launched an aggressive expansion in Western Canada, creating more than 2,000 jobs.

In Alberta, Mr Vice led the creation of more than 1,000 jobs in two manufacturing facilities in Calgary and in the corporate offices in Edmonton. Each year in Alberta, Northern Telecom manufactures digital telecommunications equipment worth more than \$275 million. Mr Vice has also been instrumental in creating a number of projects associated with Northern Telecom: the Alberta Telecommunications Research Centre, the Alberta Laser Institute, the Alberta Microelectronic Centre and the Electronic Test Centre.

Mr Vice is active in the public policy process and is the first Vice-Chair of the Canadian Manufacturers' Association (CMA) and chairs the CMA's Task Force on Business-Education Relations in Canada. He is also a member of the US Congressional Award International Committee, the Premier's Council of Ontario, the Aspen Institute for Humanistic Studies, and is the honorary Chair of the Canadian Native Arts Foundation.

The Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of the honorary degree to David Vice:

Johann Sleidanus' *Commentarium De Statu Religionibus Et Reipublicae, Carolo Quinto, Caesare, Libri XXVI*. Strassburg, Theodosius Ribelius, 1569.

Regarded as the most important single historical source of the Reformation era, this monumental chronicle also contains the largest collection of original documents. Sleidan was appointed historian of the Reformation by the Schmalkaldic League in 1542, and despite his Protestant convictions he strove to achieve the utmost impartiality. It was, in fact, so impartial it pleased none of his contemporaries, but has proved invaluable for scholars of the sixteenth century and the reign of Charles V.

Honorary Degree Recipient

Dr Alison White was the first woman to be appointed Professor in the Department of English at the University of Alberta. She pioneered the teaching and study of children's literature and similar courses at several other universities in Canada and the United States. Her work appears in a number of publications, including two articles in the first issue of *Children's Literature*, which has become the most distinguished publication of critical work in the field.

Dr White's community service also centres around literature. She was a judge for the Alberta Poetry Books contests, and for the Edmonton Journal's poetry competition for six years, handling hundreds of entries annually. She also reviewed many books of modern poetry for that newspaper.

In 1955, Dr White joined the Department of English and was named Professor Emerita in 1974. She was honored by the Department in 1989 when the first "Alison White Prize in Children's Literature" was created.

The Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of the honorary degree to Alison White:

Robert Louis Stevenson's *A Child's Garden of Verses*. Illustrated by Joyce Wilson. San Francisco, The Press at Tuscany Alley, 1978.

This lovingly created edition of the classic collection of poems for young readers contains colorful linoleum block illustrations, and five poems never before published in book form. This volume is one of 500 copies signed by the artist, as well as the printer, master bookmaker Adrian Wilson.

Congratulations from the Faculty and Staff

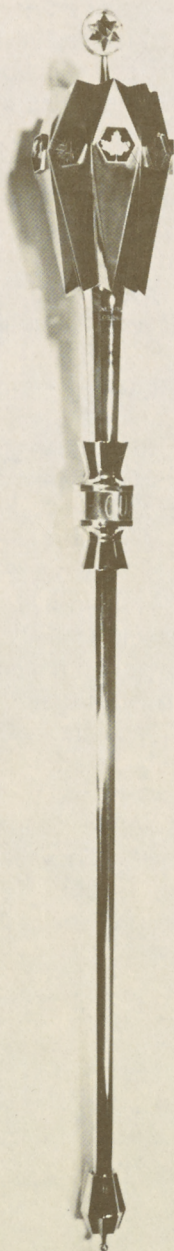

Universities began as small collections of scholars who worked together to preserve and advance knowledge. Students came to study with them and, in due course, an administrative structure arose to provide system and recognition for those studies. This ancient structure is preserved at the University of Alberta, with the Faculty and the Students providing the core of the University's purpose, teaching and the advancement of knowledge. The Faculty's task is facilitated by their colleagues in the Academic Staff, the Faculty Service Officers, the Administrative Professional Officers and the Librarians, and the University's dedicated Support Staff.

The Faculty, numbering some 1600, is responsible for creating programs of study, for teaching and for evaluating the learning of the student body, both undergraduate and graduate. In addition, Faculty members are responsible for the scholarly reputation of the University by preserving and sharing knowledge and by pursuing new ideas and knowledge through their research.

The Faculty and Staff congratulate you, the graduands, on the successful completion of your present studies which is recognized by the degrees to which you are admitted today. Your achievement

deserves praise. We hope your present knowledge provides a sound base for an education which will continue throughout a rewarding life.

We would remind you of the advice given to graduands by Honorary Degree Recipient, Dr Tommy Banks, "Try to be a good person. You will be amazed how rewarding it is."

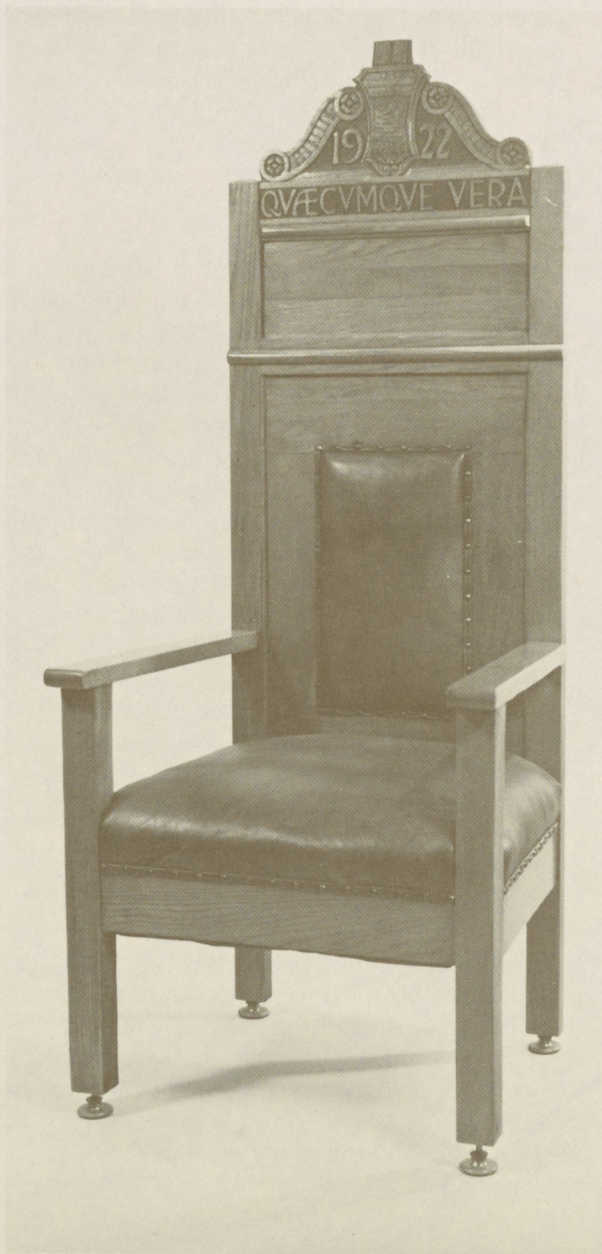

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 - 1970. It was presented by his son, Michael Galbraith, on behalf of his father on May 26, 1970.

Among its elements: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf, and the separate charges which make up the University's Coat of Arms. The University motto, "Quaecumque Vera" ("whatsoever things are true" Phil 4:8) encircles the staff. The Mace is made of sterling silver which was rhodium plated after the insertion of the various enamelled shields which make up its elements. A special electro-plate process was used to apply 24 karat gold to other parts of the Mace.

It was intended that the Mace should be modern in appearance but with medieval origins. The preponderance of visual weight at the top of the staff and the rather complex section through the metalwork at this point are reminiscent of the use of the Mace as a weapon, defensive or aggressive.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

University Ceremonial Chairs

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded leather back is carved the University motto "Quaecumque Vera" together with the class year, 1922, and the University coat-of-arms.

In 1987, the family and friends of Dr Charles Malcolm Macleod, Chairman of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of an oak stand for the University of Alberta Mace and two additional chairs for use by the President and the Chairman of the Board of Governors at Convocation.

Academic Dress

Academic dress at the University of Alberta conforms to the customary Cambridge shape (a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point). Hoods are of the Oxford pattern of spruce green material with a border for bachelors, and a full lining for masters and doctors of medicine and dental surgery, of the colour distinctive of the faculty.

Business	Silver Gray
Dentistry	Maroon
Education	Royal Blue

Doctors' gowns (PhD, EdD, DMus) conform to the Intercollegiate Code in shape, size and colour, with velvet trim on the sleeves in either Philosophy blue for the PhD, or Education light blue for the EdD on a black gown. Doctors of Laws wear a full-dress scarlet robe faced with white silk.

Doctors' hoods are of black material to match the gown, and a full lining is of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown.

Honorary degree hoods (LLD, DLitt and DSc) are of scarlet in the Cambridge form and have a full lining of white silk.

The President of the University wears a green gown faced with gold braid trim and lining and a green cap with a gold tassel. The Chancellor and Chancellors Emeriti wear gowns of teal blue with silver trim and velvet caps with silver tassels. The gowns of the senior officials bear an embroidered crest of the University.

University Governors and Senators wear stoles bearing the crest of the University over their gowns; gold-faced for Governors and green-faced for Senators. The University Registrar wears a green gown with gold trim on the sleeves.

University of Alberta Alumni Association

An Invitation to the Graduates

The University of Alberta Alumni Association welcomes you to the University's world-wide alumni family and invites you to participate in the Association's programs and services.

The Alumni Association was formed in 1915 to promote the interests of the University and its graduates. The Association has an office located in Athabasca Hall on campus, and branches exist in many Canadian centres and in a variety of locations abroad. In addition, constituent societies promote the special interests of graduates in a number of professions.

The Alumni branches around the globe provide welcome social and career contacts to the graduate moving to a new area, and new branches are being formed all the time. If there is a branch in the city where you will be establishing roots, be sure to contact the representative listed below. If there is not, contact the Office of Alumni Affairs to see if there are plans for one. You might like to help get it started.

For further information about the Alumni Association, contact the office of Alumni Affairs. The Association welcomes your participation and encourages you to take advantage of the many benefits available to alumni.
